We are proud to offer this lovely house in the old town area of Sax (near San Blas). This is a quiet area, as there is no vehicular access, so no cars passing. You can get here by a scooter/motorbike, but otherwise, it's pretty much pedestrian only.

As you enter from the street, you come to the living room, with a bedroom to the right. To the rear is the large kitchen, with a large bathroom off this. The living room has stairs to the upper floor, with a patio, a futher two bedrooms and two bathrooms.

The house is in good order throughout, and ideal as the house is walking distance to all the town.
