The house is +/- 110m² big. It is a finca which has been mainly used for weekends and holidays so there is some work to be done. The finca has a large covered terrace, a kitchen, a living / dining area with wood-burning cassette and air conditioning, 4 bedrooms and a large bathroom. The finca has mains water and electricity. The land is 8.240 m² big and is fenced. There is a large garage of 45 m², an outdoor kitchen (bbq) of 6m², a small, raised swimming pool of 14m² and numerous fruit trees. If you are looking for a quiet house with great views, this one is for you. Chinorlet is a small hamlet with two restaurants and a store. Pinoso where you will find all amenities is 10 minutes away.
